Captain Asboe discussed crash metrics and criteria for reports. The provided images in the report demonstrate two key variables, the top image is a crash that required a report from Law Enforcement, the other is all reported crashes provided to BOEC, even those that do not require involvement from Law Enforcement.

Captain Asboe demonstrated how the heatmap data was generated, showing the functionality of the map tool used by the Sheriff's Office by zooming into specific locations around the city. He advised the committee that if they desire data on specific locations, they need to request specific intersections.

Safety Improvements

Based on [input we received from the community \(http://multco.us/roads/257th-drive-public-involvement-results\)](http://multco.us/roads/257th-drive-public-involvement-results), we have selected a number of additional safety improvements for the project. These include pedestrian crossings, better bike lanes, improved bus stops and more.

[Learn more about the selected improvements \(http://multco.us/roads/257th-drive-project-features\)](http://multco.us/roads/257th-drive-project-features).

(<http://multco.us/file/133517/download>) (2.07 MB)

We will be making safety improvements to SW 257th Drive to make it easier and safer for all users to get around the corridor. SW 257th is one of the most heavily traveled roads in Troutdale and provides an important connection to I-84 and US 26.

Currently, SW 257th is not a comfortable street for people to walk, ride a bike, or use transit. Heavy traffic from vehicles and large trucks and a high posted speed contribute to safety issues in this

Recommendations to City Council from the Public Safety Working Group regarding information to be gathered to assist in determining the best path forward for Troutdale Law Enforcement July 1st, 2025, forward.

1. Review/hire consultant to compare current service level, get information from similar sized cities regarding service levels and determine what is desirable/recommended.
2. If increasing LE coverage in Troutdale is desirable, consider the type and cost of lower cost alternatives to sworn LE personnel for LE duties not requiring sworn LE personnel. (Park Rangers, more code compliance FTE, private security for parks and other areas, neighborhood watch, redlight cameras, etc.)
3. After desired FTE/level of service determined, request a bid from City of Gresham for “desirable” level of sworn LE services.
4. After desired FTE/level of service determined, request a bid from Mult County for “desirable” level of LE services.
5. Request a consultant to prepare estimate for one time startup costs to re-create the Troutdale Police Department and annual General Fund budgetary cost of a TPD at the desirable LE service level. Coordinate with Wood Village and Fairview to include them in additional financial analysis of creating a larger Three Cities Police Department.
6. If alternatives to sworn officers is suggested, ask for a determination of cost.
7. Get a report from MCSO, if available, of the current comparison of “discretionary” v. “non-discretionary” time for patrol deputies in Troutdale.
8. Get a report from MCSO, if available, of what percentage of time is in district v. out of district for patrol deputies in Troutdale.

9. Determine what is a “baseline” of LE service that a Multnomah County resident receives v. what we currently receive under our IGA.
10. Review our current IGA to determine what terms need greater clarification to insure as much “control” and value as possible in a future contract.
11. Get an analysis done by a commercial real estate broker to determine the market rate for leasing the Troutdale Police Community Center, and recommendations for appropriate lease terms.

Recommendations to City Council from the Public Safety Working Group regarding information to be gathered to assist in determining the best path forward for Troutdale Fire Protection July 1st, 2025, forward.

1. Review current service levels and response times and determine what is desirable.
2. Request a consultant to determine likely financial impact of voter approved new fire district or annexation into Fire District 10. Impact on citizens and the City's General Fund. Coordinate with Wood Village and Fairview for cost sharing.
3. Request a bid from City of Gresham for new 10-year fire contract.
4. Request a bid from City of Gresham for "rolling" one year fire contracts pending Gresham's decision on future financing of fire services, or a fire district.
5. Review current contract and determine additional terms to better define contracted level of service.
6. Schedule Gresham Fire and Emergency Services Chief to appear before Council in the first quarter of 2024 to present the contractual annual report.
