

The Executive Department consists of the [City Manager](#), [City Recorder's office](#), [Recreation](#), and Citizen Involvement/Volunteer Coordination programs.

The City Manager is appointed by the [City Council](#) to manage the daily business of the City, to inform the City Council about legislative issues, fiscal matters, capital improvements, and City policies, and to implement policies and plans adopted by the City Council. The Finance Director, City Recorder, Community Development Director, and the Public Works Director report directly to the City Manager.
